Early church service is at 8:45 a.m. on Sunday. People will begin to arrive around 8:00 a.m. Choir members, Organist, etc. They will identify themselves to you.

DON'T LET ANYONE INTO THE BUILDING UNLESS THEY HAVE A KEY OR A CODE TO THE KITCHEN DOOR. Sometimes people see the out-of-state license plates and pretend they are church members. Tell them you have to call Rosa McKinney or one of the people on the list beside the phone in the kitchen and identify them before they can come in.

Showers: We do not have shower facilities on site.

Kitchen: You are free to use the kitchen, if you wish to cook a meal or make a snack or breakfast for your group. We ask that you clean up when you are finished. You may have to share the kitchen facilities with Trinity's Table if your group is coming in on Saturday evening.

Other:
We do have an alarm system that we turn off when we have visitors, but just in case..... The control panel is beside the back kitchen door. Rosa McKinney or Nicholas Mitchell can help you with the necessary procedures to turn off the alarm.

ALSO, THIS IS A NO SMOKING BUILDING! Smoking in the building will set off the smoke alarms and the security company will send the fire department.

If you go out as a group, you must use the kitchen door. The person who greets you will give you a temporary code to open the door so you can get back in.
