**It's Christmas in July!** Select cards from the Christmas Tree and bring your unwrapped gifts for the Gabriel Project to church on **July 29**. Plan to bring a dish to share and stay for Christmas brunch afterward! This replaces the sunflower box for July.

**Trinity's Table last Sunday**  
Steady crowd tonight: we served 236 meals of beef stew with rice, canteloupe and watermelon, bread and butter (thanks Charleston Bread), drinks, and desserts (thanks Sugar Pie Bakery).  
Our friends from Village Chapel helped us out tonight. What a gift!  
A little note about our fresh fruit -- we have an "angel" who delivers a variety of fruit for our guests every single week. Without fail. How do you thank such a generous friend? Our guests truly enjoy the fruit each week -- and they enthusiastically express their thanks to our servers. So we say, "Thank you!" to this dear friend of Trinity from all of our guests!

I know I can spend a lot of time worrying about all sorts of things. But after this summer, I know I do not need to worry about the future -- when we get there, it will be in good hands.  
  
God's peace,

**Message from Pastor Randy:**  
Dear Brothers and Sisters in Christ:  
  
I spent a week at Camp Luther teaching classes in senior camp. Kali, a junior at Mount Holyoke, stayed with us for six weeks. We have had Sarah, our intern, and her fellow interns, all college students from various schools, over for dinner -- they are coming again tonight. I have five weddings this August -- October (more than I have had since I came), all young people. We have been engaged in premarital counseling sessions for several months now.  
  
There are some amazing young adults out there!  
  
I know it is typical for an older generation -- me -- to complain about the young people and to wonder what the world is coming to, but there are some amazing young adults out there and I cannot help but think if the world survives my generation, these 'kids' are going to do it right. I see folks full of caring and hardworking, concerned over issues of justice and inequality, hunger and poverty. I see young people comfortable with change and embracing new technology and science in ways I have never dreamed possible. And I see folks full of faith. Time and again, on premarital questionnaires, at classes in the barn, on walks, around the dinner table, sitting in a living room or on the street corner, I hear questions and I hear comments and I know a love of God is present in this generation. And it is not a parroted love engendered by parents and Sunday school as much as it is a thought out, deeply abiding love.
