Trinity's Table last Sunday

From Nick: Tonight at Trinity's Table we served 335 meals.

The in-house meal consisted of glazed ham, potato salad, cole slaw, green beans, peaches, bread (Charleston Bread) & deserts (Sugar Pie Bakery and Spilman, Thomas & Battle).

Thank you to the morning crew for all you did today, cutting all the hams and preparing the other items.

To-go meals consisted of sandwiches donated by a member of Trinity left over from a family celebration yesterday, hamburgers donated from an anonymous donor and hot dogs. Raisins, corn, and cookies rounded out the boxes.

We had 3 volunteers from Charleston Catholic along with many of our regulars and a few new friends.

I would like to take a moment and thank all the members of Trinity along the supporters and friends of Trinity's Table. Without all of you and your generous support none of this would be possible.

A message from the Church Council

President: Dear Sisters & Brothers in Christ:

I think I look forward to Christmas in July almost as much as I do Christmas in December! It's certainly less stressful than the typical holiday season and it is so heart-warming to share our good fortune with those who are struggling to improve theirs. It's fun to prepare, it's fun to enjoy the morning and it's fun to meet those we are helping.

This year's celebration will be on July 23 when we invite staff members from RCCR (the Religious Coalition for Community Renewal) and residents of Samaritan Inn to join us for worship and brunch. Samaritan Inn is one of several RCCR programs and took its first resident in 1989. Since then, they have helped over 600 men transition from homelessness to independent living. The Inn, located on Quarrier Street, can house up to nine adult men for up to 24 months.

Upon entry, each resident works with staff to establish individualized goals designed to overcome the obstacles to permanent, independent living. Each resident is required to work and pay a small program fee, maintain his own living area, share the cooking and cleaning responsibilities, participate in a life skills curriculum, substance abuse education, case management, and participate in community volunteer activities. The Samaritan Inn provides a safe environment to recover from homelessness; offers services that permanently change the lives of men who have been homeless; and graduates men who are counted among the productive, independent citizens of our community.

Our Christmas tree full of gift ideas will be in place by the end of June. Take as many gift ideas as you would like and bring them (unwrapped, please!) to church on July 23. Bring a Christmas brunch treat to share and stay for the meal after our service. I'm looking forward to it already!

God's peace, Robin
